The text is written in a mix of gold and teal colors. The words 'We wish' and 'Christmas' are in gold, while 'you' and 'a very merry' are in teal. The word 'you' is written in a smaller, more compact script than the others. The message is surrounded by various Christmas-themed illustrations: a red poinsettia flower on the left, a sprig of holly with red berries on the right, and several small white snowflakes scattered throughout the text.
